ACTIVITY Report

Tree Plantation & Cleanliness Drive

Agenda: NSS Activity: Tree Plantation & Cleanliness Drive

Objectives: Planting the trees and to perform the cleanliness drive at the Tansa Sanctuary

Venue: Tansa Aghai-Mohili

Date : 05/08/2022

No. of Volunteers: 95

Valedictory function:

Continuing with its tradition of preserving the environment and having ecofriendly activities, the "Tree Plantation Event" was conducted on the campus of Atma Malik Institute of Technology and Research on world Environment Day, 5th August 2022. Understand the importance of nature for our existence and conserve the nature in all manners, is our moral responsibility. It's not too hard to believe that without trees we, humans would not exist on this beautiful planet. Also, we have felt the change of purity in nature and reduction in pollution effect during this pandemic situation. This event is a positive step towards achieving a healthy environment and to reconnect humans to nature and foster environmental stewardship.

The event began with welcoming Principal, heads of all departments, all faculties, staff, and students participants at 9:30 AM. More than 50 students, faculties and staff members have participated in the event.

ACTIVITY REPORT

Tree Plantation

Objectives: To create awareness among the students and Staff about importance of Tree Plantation

Place: VOGCE, Mohili-Aghai

Date: 03/07/2017

Event Details:

The "Tree Plantation Event" was conducted on the campus of Vishwatmak Om Gurudev college of Engineering, on world 3rd July 2017. This event is a positive step towards achieving a healthy environment and to reconnect humans to nature and foster environmental stewardship.

The event began with welcoming Director, heads of all departments, all faculties, staff, and students participants at 10:30 AM. More than 50 students, faculties and staff members have participated in the event.

Prof. Harshada Sonkamble delivered a speech by wishing "Tree plantation" as well as "world Environment Day", He shared the importance of nature and how we can protect it for the betterment of our future. The outlook towards nature must be changed from Utility to Divinity. Trees are the most important part of natural resources. It is our moral responsibility to conserve it with the highest priority. All the participants have planted more than 70 saplings around the campus and nearby their homes.
