ACTIVITY Report

Azadi ka amrit mahotsav

Agenda: NSS Activity: Azadi ka amrit mahotsav

Objectives: To celebrate Independence day and spread love about our country.

Outcome: Celebrate Independence day.

Venue: AMRIT AGHAI-MOHILI

Date :13/08/2023

No. of Volunteers: 100

Valedictory function:

Celebrate Independence day and spread love about our country. The valedictory function of 100 NSS volunteers participating in the campaign was held at AMRIT. We celebrate the independence day for three days in AMRIT. NSS Coordinator, Prof. Ulhas Patil inaugurated the function. He motivated '**Azadi ka amrit mahotsav**' to encourage people to bring the Tiranga home and to hoist it to mark the 76th year of India's independence. Our relationship with the flag has always been more formal and institutional than personal.

Dr. D. D. Shinde, Principal AMRIT motivated that Azadi Ka Amrit Mahotsav is an initiative of the Government of India to celebrate and commemorate 76 years of independence and the glorious history of its people, culture and achievements.

This Mahotsav is dedicated to the people of India who have not only been instrumental in bringing India thus far in its evolutionary journey but also hold within them the power and potential to enable Prime Minister Narendra Modi's vision of activating India 2.0, fuelled by the spirit of AtmaNirbhar Bharat.

The official journey of Azadi Ka Amrit Mahotsav commenced on 12th March 2023 which started a 75-week countdown to our 76th anniversary of independence and will end post a year on 15th August 2023.

INTRODUCTION

The National Sports Day of India was celebrated in Hindustan International School, Karapakkam in Tribute to the legendary hockey player Major Dhyhan Chand. The students were told about the importance of 'Sports' and the relevance of National Sports Day during the Assembly. The day marks the birth anniversary of hockey wizard, Major Dhyhan Chand. He was born on 29th August, 1905 at Allahbad. In the year 1926, he was selected for the Indian Hockey Team for the tour of New Zealand & won many medals for our country.

On this occasion, all the students from Engineering and Diploma participated in various sports activities with great enthusiasm and zeal. The little ones had fun while indulging in different events like playing Box Cricket, Carrom, Ludo etc. The students learnt a lot about true sportsmanship and the value of playing games. Students were seen playing with true team spirit and the celebration of National Sports Day echoed in the corridors and fields.

"Teachers can change lives with just the right mix of chalk and challenges."

Teacher's Day was celebrated with zeal and zest on September 5, 2018. There was an unusual excitement in the college atmosphere which was quite contagious.

The students of first year degree arranged the programme for all engineering staff. The day was marked with the presence of Dr. D. D. Shinde, Principal, AMRIT, and Prof. Govind Chavan, Vice-Principal, AMRIT. Other noted presence included Dr. Sachin Munde, HOD of Department of Engineering Sciences and Humanities, Dr. Gaurav Sonawane, HOD of Mechanical Engineering department, AMRIT, Prof. Sumit Kumar, HOD of Electronics and Tele-Communication Engineering department, Prof. Shailesh Pagar, HOD of Civil Engineering Department, Prof. Yogeshwari Hardas, HOD of Computer Engineering department. First year students welcomed the distinguished guest, the management, students and faculty to Atma Malik Institute of Technology and Research and introduced the guests to the audience.

The Principal, Dr. D.D. Shinde, addressing the entire college, urged students to maintain the bequest of respecting teachers and lauded the entire staff for their exemplary contribution to the college's phenomenal success. The Principal appreciated the sincerest efforts of the teachers in playing a catalytic role in the holistic development of every student.

There was a special celebration for teachers organised by First year students, which included dances and skit to recall the bygone days of teachers as a student. The celebration also had a few games conducted for teachers like
