INTRODUCTION:

Department of mechanical engineering from Atma Malik Institute of Technology & Research arranged One Day's Workshop on AutoCAD dated 15 April 2023. Expert of the workshop, Mr. Prathmesh Mahajan who is design Engineer of Zeco Aircon Pvt. Ltd., Lahe. Expert rendered his expertise to all Modules of AutoCAD on effective use of subjective knowledge. More than 50 students from our degree mechanical students were attending the workshop.

Workshop was started at 09:30 am with normal introductory speech by Prof. G. E. Chavan (HOD Mechanical) and Prof. R. S. Gaikwad and session was hand over to speaker Mr. Prathmesh Mahajan is well known in educationalist since 3 years and he is willingly in association with so many institutions for creating awareness regarding importance of Drafting, Modeling, Simulation, Analysis and any mechanical part, the development of subjective knowledge.

Some of the topics discussed during Workshop:

Basic knowledge of AutoCAD:

Welcome to the world of CAD - In this first tutorial you will be learning the very basics of AutoCAD. This course was designed so that the commands and instructions should work on almost any version of AutoCAD, although this version was designed specifically for AutoCAD 2016 and will work with older versions. By the end of this level, you will have the skills to develop basic 2D drawings and print them out to scale.

One Page Report

Topic: - "Preparation of Aptitude Test"- By Mr. Vikram Rayate.

The college Seminar hall was abuzz with much excitement as the students were eagerly waiting for the guest lecture to begin hosted by VOGCE. The guest lecture was delivered by **Mr. Vikram Rayate** who is a far famed Expert, on the topic.

The event started with lighting of the lamp the esteemed guest and the head of the department. In his talk aptitude tests are used by many recruiters around the world. Their purpose is to test technical skills, attitudes, and soft skills related to the search for a figure to be included in the company. Beyond specific professional skills, Aptitude tests are generally designed to assess a candidate's logical reasoning and thinking performance. Generally, aptitude tests contain multiple-choice questions and they are timed as well. Since tests like this one are required in many national-level exams, candidates like yourself should prepare beforehand to crack aptitude tests for campus placement. 100 Students got to know lots of new things about how to crack aptitude test.

Topic: - Importance of Life, By Mr. Ratnaparkhi Mahesh. (9850260303)

VOGCE hosted the guest lecture which was delivered by Mr. Ratnaparkhi Mahesh on 19/01/2018 in Auditorium hall, VOGCE, Aghai-Mohili.

Session started with virtual welcome of Mr. Ratnaparkhi Mahesh sir. In this session Ratnaparkhi sir explained the importance of happy and healthy life living. He also explained one-time opportunity to live a life. Although all species have their ways of living, a purpose of life, and our purpose, is to continue to evolve. When we think of "evolution" as meaning as a process of learning, adapting, and growing to be more effective and efficient, we see evolution everywhere. Kids learn more advanced skills and concepts in school and this continues on through college and throughout their careers

200 students were listening to him so attentively. This session definitely added value to our students' life living skills.
