### Key Indicator -7.1 Institutional Values and Social Responsibility

**Sub Key Indicator 7.1.3:** - Institutional environment and energy initiatives are confirmed through Green/Environment audit, Energy audit, clean and green campus initiatives and by conducting beyond campus environmental promotional activities. As per Environment policy of the Institute, following actions were planned and executed for clean and green environment in academic year 2022-23.

Sr. No.	Action Planned for Green and Clean environment	Action Taken for Green and Clean Environment in 2022-23
1	To display awareness boards for saving energy and water, minimal use of plastic throughout the campus	Board for saving environment, minimal use of plastic are displayed in campus.
2	Replacement of LED Lamps in place of fluorescent lamps.	During the day time sufficient natural light is available in major sections of the campus. Most of the fluorescent lights have been replaced by LED lights in classrooms, laboratories, library, offices, seminar hall, auditorium hall, meditation halls, college name display board at the entrance etc. LED street lights are also in practice.
3	Staff and students should be advised to use public/college transport system.	Notice regarding the same has been circulated among staff and students.
4	E-Notice practice should be promoted across the campus.	E-Notice practice has been promoted in the campus using platforms such as Google Classroom, WhatsApp group.
5	Reuse of waste paper and paper management	Reuse of one-sided paper for writing or printing is promoted in all departments. Paper waste like Student's files, drawing sheet etc. are used for decoration purpose during cultural and other activities.
6	Green and Energy audits of the campus	Green and Energy audits of the campus have been conducted in the campus.
7	To conduct environmental promotional activities	In campus and beyond campus environmental promotional activities have been conducted
