Criteria 7

Institutional Values & Best Practices

7.2 Best Practice-2

7.2 Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual

Best Practice –II

1. Title of the Practice

Mentoring System- A step towards multidimensional development of students

Mentoring program provides personalized support to students and aids in professional socialization. It serves as a platform to be student centric and ensures the development of students.

2. Objectives of the Practice

- To develop self-aware and socially responsible and ethical engineers.
- To minimize dropouts, improve performance and reduce stress of the students through personal counseling.
- To provide life education along with technical education.
- To establish a lively relationship between the teachers and the students that will ensure responsible behavior and discipline.

3. The Context

AMRIT has many students admitted from different remote areas. It is imperative for the institution to guide the students from the beginning itself for their all-round development. As the students belong to different socio-cultural and economic back grounds, it has become necessary for the institution to adopt mentoring system as one of the best practices. Moreover it is aimed to align with the institutional mission and vision statements aiming to develop students on progressive lines.

Contact: +91 7720012139 / +91 9552773875, info@vishwatmakengg.in

4. The Practice

1. Mentoring session is conducted monthly on regular basis. This session is compulsory for every student to attend.

2. A group of 20-25 students are allocated to each faculty as a mentee.

3. Mentor has to keep the details of mentees performance in terms of academics like Internal Assessments, End semester exam and attendance records. The mentor also keeps the track of mentees personal development such as co-curricular & extra-curricular activities, discipline and career related issues.

4. The issues being discussed in mentor –mentee meet are academic, attendance, career and general.

5. The mode of communication between mentor and mentee can be mainly in person, phone calls or Google meet.

6. Practice of the mentoring system is evaluated by the Head of the department and Principal by monthly so as to ensure quality and efficiency in practice.

Report on Mentor Meeting

Name of the mentor- Prof. Pravin M. Thorat

Group of mentees – S.E.

Date of meeting – 21ˢᵗ January 2023

Mode of meeting – Offline

Point Discussed: -

Points	Discussion & Solutions
Academic	1. Since the semester has commenced from 09ᵗʰ Jan 2023, informed all students to attend lectures and practical regularly. 2. Asked students to attend Meditation class as per mentioned in timetable regularly.
Internship	1. Asked students to enrol for an online internship or certification course for those who have not enrolled yet. Few students have completed internships
Provisional Admission	1. Asked students to take provisional admission to attend the next semester classes, as the result has not declared yet. 2. Suraj Jadhav had some fees issue due to poor financial condition. Informed to pay amount in instalments by taking permission of Principal Sir.
Other	1. Rahul Igole couldn't attend lectures till 20ᵗʰ Jan because of family issue. Informed to write an application & take permission of HOD. Also informed to complete her lagging study and be in touch with her classmates for updates.

Report on Mentor Meeting

Name of the Mentor- Prof. S. S. Bhoir
Group of mentees – TE Computer(26-50)
Date of meeting -17-04-2023
Mode of meeting- Offline

Issues Discussed
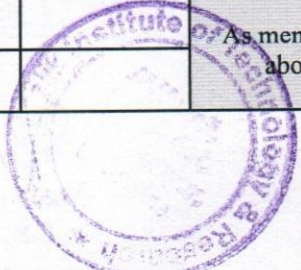

Issues raised by students	Possible solution suggested
Review	Review of the previous meeting was taken and possible solutions suggested.
Academics	Informed students to complete their write ups on time for submission. Students asked about lagging syllabus. Informed the that remedial classes will be conducted for the lagging syllabus and revision lectures will be conducted for those who have KTs in IA-1
Internal Assessment-2	Discussed the tentative schedule for IA-2. Students asked for question banks for IA-2. Assured them that all subject teachers will provide the same
Case study	For new topic introduced in syllabus asked students to submit case study reports & assigned topics to the same
ADD ON Program	Taken follow up of ADD ON program registration .
Mini Project	Informed students to be ready with Mini project report, ppts and models since the presentation will be held soon in 2nd week of April. 23.

Report on Mentor Meeting

Name of the mentor- Prof. Nisha Shelar

Group of mentees – B.E EXTC.

Date of meeting – 3rd April 2023

Mode of meeting – Offline

Point Discussed: -

| Points	Discussion & Solutions
Review	• Review or the previous meeting was taken and possible solution suggested.
Academics	• Informed students to complete their write ups on time for submission. Students asked about lagging syllabus. Informed them that remedial classes will be conducted for the lagging syllabus and revision lectures will be conducted for those who have KTs in IA-1
Internal Assessment-2	• Discussed the tentative schedule for IA-2. Students asked for question banks for IA-2. Assured them that all subject teachers will provide the same
Case study	• For new topic introduced in syllabus asked students to submit case study reports & assigned topics to the same
ADD ON Program	• Taken follow up of ADD ON program registration.
Final Year Project	• Informed students to be ready with final project report, ppts and hardware and software models since the presentation will be held soon in 1st week of April. 23.

H.O.D

5. Evidence of Success

1. Improvement in mentees discipline, interaction and communication skills.

2. Improvement in student's attendance and academic performance.

3. Increased student's participations in various co-curricular and extra-curricular activities.

4. Increase student satisfaction.

5. Establishment of a healthy relationship between teachers and students which has provided a congenial atmosphere in the classroom as well as in the campus.

Hence this practice of the institute is a step to imbibe in the student's rational positive outlook towards life there by making them responsible citizen.

6. Problems encounter and resources required

1. Problems are encountered in regards to the diversity in language & student's background.

2. Students are reluctant to interact because of the low level of confidence. Sometimes they are unable to share their problems to the mentor.

Evidence of Success- Sample data from all departments

Student's Testimony about Mentoring System

Name of Student:	Suraj Jadhav
Class:	SE Civil
Year:	2021-24

Two years ago when I became a part of AMRIT, and ever since my life has been full of excitement & fun. The college has a well planned infrastructure with many open spaces and a proper environment for learning.

The faculty members here are helpful & informative. They leave no stone unturned to make us successful in our careers. Their guidance has helped me to improve my grades. The workshops & seminars conducted by experts have also added value to my learning process at AMRIT. Teachers here always encourage us to participate in all curricular & extra-curricular activities.

Student's Testimony about Mentoring System

Name of Student:	Yamini Patil
Class:	Computer
Year:	2019-23

When I joined AMRIT, my academic performance was not that much good in standing semester. But my mentors & subject teachers helped me to achieve academic growth.

Their guidance helped us to work on our final year project. I came across a lot of people who introduced me to new things & helped balance between academics & personal goal. My teachers also helped me to achieve multidimensional growth.

Student's Testimony about Mentoring System

Name of Student:	Ajay Bhor
Class:	Computer
Year:	2021-24

I had a passion for software development since before starting college. Although they were my passion I didn't know much about them nor did I have proper direction to advance in those field. But since my 2nd year my mentor & department faculty members helped me to learn and grow. Their guidence and motivation helped me to work on my diploma project to make it useful as real time application program for Institues & companies. They supported me to follow my passion and given me a place where even if i fail they backed me up! I am thankful to the college and all faculty members who always supported me.

Student's Testimony about Mentoring System

Name of Student:	Ayurshi Singh
Class:	EXTC
Year:	2019-22

When I came to collage, I was having dreams of getting placed in good company and be a good electronics engineer with technical skill but I was very unsure about how I was going to achieve it. During my final year I got selected for apprenticeship training in "Rashtya Ispat Nigam limited" as technician appentice trainee. All the credit goes to the teachers for giving such a great support at every step and different initiative, activities conducted by the collage which has helped a lot to enhance a variety of skills from Technical to interpersonal. AMRIT has helped me achieve more than what I could have at some other place.

Student's Testimony about Mentoring System

Name of Student:	Ishwar Bagul
Class:	EXTC
Year:	2018 - 23

Myself Ishwar Bagul from BE EXTC, I was a drop out student in first year itself. As I was weak in studies, none of my subjects were cleared. But over this all, our college Atma Malik Institute of Technology & Research & the faculty members helped me out clear my subjects. They were really encouraging & helpful. They cleared my doubts regarding subjects & helped me to clear my subject. My HOD Prof Sumit kumar & my mentor Prof Nisha Shelar always supported me for being better in everything as result I was topper in BE. They also molded me to participate in co-curricular & extra-curricular activities held in campus & outside the campus. It helped me to show my talent & find my passion about learning new things. And I was also able to improve them with proper guidance of experts. College not only helped me being good in studies but also becoming a good person for our society. I'm very thankful for pursuing my engineering from this college.

Student's Testimony about Mentoring System

Name of Student:	Yash Patil
Class:	Mechanical
Year:	2019-23

My name is Yash Patil. I entered the collage with a hope to enjoy sports as a passion and play in the collage. Getting selected in the team was quid smooth but what followed was not. I had to face a lot of criticism for my caual approach in academic as all the force had automatically shifed on. to my sport. On getting loads of kts I wasn't demotivated as I was aware and determined to continue playing for my collage. My sport helped me focus on my academic and I cleared my exams with a decent pointer. My faculty and my team motivated me throughout which added to my grit. From there on to captaning the team in my final years as well I was able to fulfill my duty as General secretovy in final year. It was nothing sort of a roller coster ride. for me and enjoyed it lot with support from my collage.

Student's Testimony about Mentoring System

Name of Student:	Dhanajay Patil
Class:	Mechanical
Year:	2020-23

N AMRIT has always been highly active on cultural events. I have received so many opportunities to nurture my skills in music and Art. The extracurricular activities here have inculcated the spirit of leadership and teamwork among students. I am a full time musician now and IF AMRIT didn't give me the opportunity to contribute towards the field of music, I wouldn't have been confident about taking it up as a profession. The support we students receive from the faculties and staff is applaudable. I am forever thankful to my Mentors for encouraging me to pursue what I was truly passionate about

Student's Testimony about Mentoring System

Name of Student:	Naukita Dubele
Class:	FE
Year:	2022-27

I joined AMRIT in academic year 2022-23. The faculty is very supportive and cooperative and has always helped me at all times wherever I was lagging. Due to my poor financial condition. It would have been very difficult for me to focus on my studies unless my mentors and HOD's support. They provided me financial assistance and also guided for Epiroc nongovernment scholarship. They also encourage me to participate in co-curricular & extracurricular activities being conducted in college.

Student's Name & Signature

Student's Testimony about Mentoring System

Name of Student:	Ujjwal Badgujar
Class:	FE
Year:	2022-27

I Ujjwal Badgujar, FE student admitted in 2022-23, in AMRIT. I was very shy and Introvert kind. I was not able to express myself at many things. But my mentor helped and encouraged me to become confident and fearless. Because of them I was able to participate and enjoy many co-curricular and extracurricular events organized in college without any hesitation. I will be forever grateful to them for bringing up me in many ways.
