- **Name of Activity:** Training Program Program on **"Use of Digital tools (Edupuzzle & Socrative tool)"** for students/faculty.
- **Date of activity:** 29/8/2022
- **Name and contact details of resource person:** Prof. Nisha Patil, Asst. Prof., EXTC, AMRIT.
- **Name of Faculty coordinator**: Prof. Deepak Baviskar
- **Activity Objectives:** To create awareness among Faculties & Students about different digitals used in teaching learning process.
- **Activity Outcomes:** All faculties & students learnt about different digital tools which will be helpful in improving teaching learning process.
- **Activity Details:**

The potential to individualize children's learning and maximize each child's potential, giving individual feedback to children; gaining insights into child's progress to develop a work plan, allocating resources for learning are few important purposes of introducing digital tools in education. The biggest challenges of education are gauging just how well the students have been able to grasp certain lessons & concept explained by their teachers. Thanks to Socrative, teachers no longer need to guess which students have understood the lesson. They simply share their enquiry using the tool & the students provide feedback, thus making teachers job much easier.

Dear Sir,

Our Institute Atma Malik Institute Of Technology And Research (AMRIT) of Engineering is approved by AICTE New Delhi, recognized by DTE, Maharashtra and affiliated to University of Mumbai. We are offering Diploma and Degree courses in Electronics & Telecommunication Engineering, Computer Engineering, Civil Engineering and Mechanical Engineering.

Your expertise in the field of computers is well known. Therefore, on behalf of Atma Malik Institute Of Technology And Research (AMRIT), we would like to invite you to be the guest lecturer on the topic of "Scope and the Importance of Computer Engineering". For students of first year engineering. We would be honoured to have your presence in our campus. We and the students are looking forward to becoming enlightened through your knowledge sharing. Your presence would be inspiring and grateful to us. We have scheduled a guest lecture on 24/04/2023.Kindly give us a green signal. We very much look forward to hearing from you.

Topic: - **"Preparation of Aptitude Test"**- By **Mr. Vikram Rayate**.

The college Seminar hall was abuzz with much excitement as the students were eagerly waiting for the guest lecture to begin hosted by VOGCE. The guest lecture was delivered by **Mr. Vikram Rayate** who is a far famed Expert, on the topic.

The event started with lighting of the lamp the esteemed guest and the head of the department. In his talk aptitude tests are used by many recruiters around the world. Their purpose is to test technical skills, attitudes, and soft skills related to the search for a figure to be included in the company. Beyond specific professional skills, Aptitude tests are generally designed to assess a candidate's logical reasoning and thinking performance. Generally, aptitude tests contain multiple-choice questions and they are timed as well. Since tests like this one are required in many national-level exams, candidates like yourself should prepare beforehand to crack aptitude tests for campus placement. 100 Students got to know lots of new things about how to crack aptitude test.
