Guest Lecture Report

On 28th March 2023, a Guest Lecture was organized by the Mechanical Department on "Cyber Security and Cyber Crime Investigation". The informational lecture was delivered by Mr. Nikhil Bhujbal (VAPT Analysis). Mr. Nikhil initiated the talk by emphasis on the significance of Data. According to him, "The Next World War will be only for Cyber Data". His talk geared on various facts of Cyber Stalking, Extortion, Spoofing, Cyber Crimes and Cyber Forensics. He discussed about crime investigation case studies. His talk pursued about Privacy Policy for various applications that are freely available. He catered usage of Disposable Email Accounts and explained the importance of it. At the end of the session, the HOD, and Senior Faculty members Prof. U. V. Patil and Prof. R. S. Gaikwad conveyed the vote of thanks to the speaker who enlightened the students on the scope of projects in Cyber Security and issues in cyber space.

INTRODUCTION:

Department of mechanical engineering from Atma Malik Institute of Technology & Research arranged One Day's Workshop on AutoCAD dated 15 April 2023. Expert of the workshop, Mr. Prathmesh Mahajan who is design Engineer of Zeco Aircon Pvt. Ltd., Lahe. Expert rendered his expertise to all Modules of AutoCAD on effective use of subjective knowledge. More than 50 students from our degree mechanical students were attending the workshop.

Workshop was started at 09:30 am with normal introductory speech by Prof. G. E. Chavan (HOD Mechanical) and Prof. R. S. Gaikwad and session was hand over to speaker Mr. Prathmesh Mahajan is well known in educationalist since 3 years and he is willingly in association with so many institutions for creating awareness regarding importance of Drafting, Modeling, Simulation, Analysis and any mechanical part, the development of subjective knowledge.

Some of the topics discussed during Workshop:

Basic knowledge of AutoCAD:

Welcome to the world of CAD - In this first tutorial you will be learning the very basics of AutoCAD. This course was designed so that the commands and instructions should work on almost any version of AutoCAD, although this version was designed specifically for AutoCAD 2016 and will work with older versions. By the end of this level, you will have the skills to develop basic 2D drawings and print them out to scale.

!! Sabka Malik Atma !!

Vishwatmak Jangli Maharaj Ashram Trust's

Atma Malik Institute of Technology & Research (AMRIT)

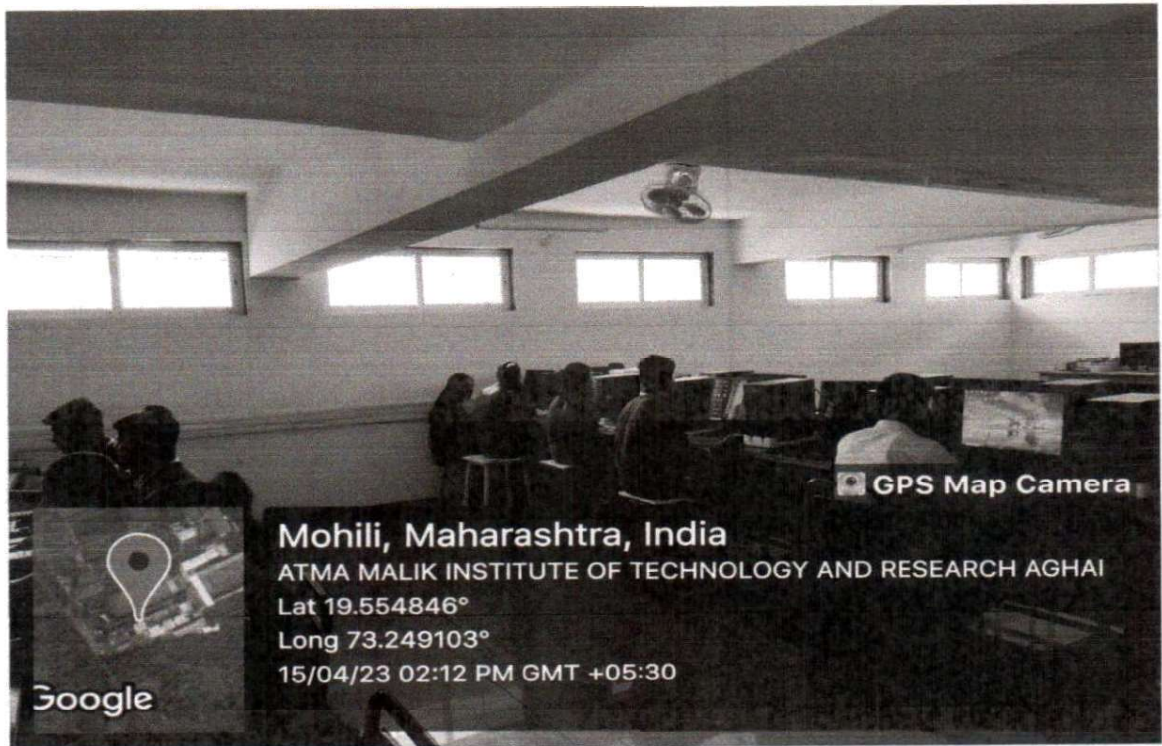

Department of Mechanical Engineering

Industrial Applications:

This software is popular for 2D- drafting in industrial propose. One of the fastest software for drafting.

Conclusion:

After completion, this workshop we conclude that student gets more benefits about this workshop and they are more familiar about the software. In market scenario the extra skills are require for getting good job so that software knowledge is most important factor of industry.

We are very thankful to our Head of Department for such giving a good support as well as we are also special thankful to our President sir and Principal Sir that he was continuously guiding and supporting to us.

We are also thankful the people who gives direct and indirect support to make successful workshop. The students are very enthusiastic to learn the software and they are ready to do more study in this kind of workshop.

One Page Report

Topic: - Opportunities in Civil Engineering - By Mr. Chirag Makani.

The college Seminar hall was abuzz with much excitement as the students were eagerly waiting for the guest lecture to begin hosted by the Department of Civil Engineering. The guest lecture was delivered by Mr. Chirag Makani who is a far famed Expert, on the topic.

The event started with lighting of the lamp the esteemed guest and the head of the department. In his talk Mr. Chirag Makani Primarily emphasized on role of Civil engineering students for bright future of India. He said civil engineering is a global profession and also lucrative one. He then introduced students with different area of the civil engineering and Job opportunities available in civil engineering in different government sectors. Students got to know lots of new things about career opportunities in civil engineering field. Total 57 students attended the session.

Invitation Letter

To,

Mr. C.P.Desale,

Career Counselor,

Meri Mhasrul,

Nashik.

Subject: Invitation of Guest Lecture on **"Career Counselling"**.

Dear Sir,

Our Institute Vishwatmak Jangali Maharaj Ashram Trust's **Atma Malik Institute of Technology and Research** is approved by AICTE New Delhi, recognized by DTE, Maharashtra State & affiliated to **University of Mumbai** & running four years courses in Electronics & Telecommunication Engineering, Computer Engineering, and Civil Engineering & Mechanical Engineering.

With reference to the above subject, we would like to invite you for the guest lecture on the topic **Career Counselling** students of our institute on the date of **30th November 2022**. Kindly grant us your valuable time and date.

Thanking You.

- **Name of Activity:** An expert session on “IOT Consideration & its Application” for students.
- **Date of activity:** 25/8/2022
- **Name and contact details of resource person:** Prof. Yogesh Pringle, Deputy Head of Data science department at VCET
- **Name of Faculty coordinator:** : Prof. Vaishali Shinde, Asst Professor, COMP, AMRIT, Prof. Sumit Kumar, Asst. Professor, EXTC, AMRIT.
- **Activity Objectives:** To make students understand the concept of modern IOT technology & its applications.
- **Activity Outcomes:**
 1. Students got the knowledge about the career trends of IOT.
 2. Got knowledge about Arduino and Raspberry Pi processor board.
 3. Also got different project idea based on IOT.
- **Activity Details:** Prof. Yogesh Pringle, Deputy Head of Data science department at VCET and YPP technologies firm delivered the Expert Talk about the promising field of IOT.

Dear Sir,

It was wonderful experience having you as a speaker for the expert lecture organized by EXTC Engineering Department of AMRIT. We were truly motivated by your presence. We believe that this training will certainly turn out to be remarkable one for the students and faculties in their field of excellence.

Sir, we would like to extend our humble gratitude to you for spending your precious time and knowledge with us. We hope that you will continue to extend your valuable support in our future initiatives as well.

Thanking you.

One Page Activity Report

Academic Year: 2022-22

Semester: ODD

- **Name of Activity:** An expert session on "IOT Consideration & its Application" for students.
- **Date of activity:** 25/8/2022
- **Name and contact details of resource person:** Prof. Yogesh Pringle, Deputy Head of Data science department at VCET
- **Name of Faculty coordinator:** : Prof. Vaishali Shinde, Asst Professor, COMP, AMRIT, Prof. Sumit Kumar, Asst. Professor, EXTC, AMRIT.
- **Activity Objectives:** To make students understand the concept of modern IOT technology & its applications.
- **Activity Outcomes:**
 1. Students got the knowledge about the career trends of IOT.
 2. Got knowledge about Arduino and Raspberry Pi processor board.
 3. Also got different project idea based on IOT.
- **Activity Details:** Prof. Yogesh Pringle, Deputy Head of Data science department at VCET and YPP technologies firm delivered the Expert Talk about the promising field of IOT.

Thanking Letter

To,

Mr.Yogesh Pingle,

Deputy Head Data Science Dept,

VCET,

Chembur.

Dear Sir,

It was wonderful experience having you as a speaker for the expert lecture organized by EXTC Engineering Department of AMRIT. We were truly motivated by your presence. We believe that this training will certainly turn out to be remarkable one for the students and faculties in their field of excellence.

Sir, we would like to extend our humble gratitude to you for spending your precious time and knowledge with us. We hope that you will continue to extend your valuable support in our future initiatives as well.

Thanking you.

One Page Report

Topic: - Personality Development ,By Ms. Soni Pasha

VOGCE hosted the guest lecture which was delivered by Ms. Soni Pasha who is working with AMJC as an Academic coordinator and communication skills lecturer.

In this session she taught students what personality development is all about? She told them Personal development is looking inward and focusing on ways to better yourself. Personal development increases self-awareness, self-esteem, increases skills, and fulfills aspirations. She also explained students how they can improve their soft skills to develop their personality.

115 students were so happy to know something other than academics which will help them to achieve their goals.
