VOGCE hosted the guest lecture which was delivered by Ms. Archana Pardesi on 06/09/2021.

Session started with welcome of Ms. Archana Pardesi. In this session madam explained the importance of language. She also explained language is a vital part of human connection. Although all species have their ways of communicating, humans are the only ones that have mastered cognitive language communication.

Language allows us to share our ideas, thoughts, and feelings with others.

It has the power to build societies, but also tear them down.

82 Students were listening to him so attentively.

Topic: - **Communication Skills** - By Ms. Heena Khanvilkar.

VOGCE hosted the guest lecture which was delivered by Ms. Heena Khanvilkar on 10/01/2019.

Session started with welcome of Ms. Heena Khanvilkar madam. In this session madam explained the importance of good communication. She also explained communication is a vital part of human connection.

Although all species have their ways of communicating, humans are the only ones that have mastered cognitive language communication. Language allows us to share our ideas, thoughts, and feelings with others.

It has the power to build societies, but also tear them down.

78 Students were listening to him so attentively.
